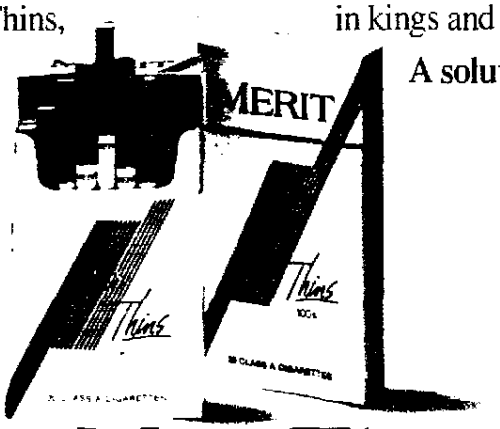
The new smoking dimension.

Merit breakthrough combines a new thin shape and great taste in a remarkable new, low-tar cigarette. Introducing new Merit Thins.

Here's a whole new way to smoke, from the smart thin shape to the rich tobacco taste. New Merit Thins have 1/4th less tobacco than regular cigarettes. Yet they're rich tasting, because of Merit's exclusive Enriched Flavor.™ In fact, new Merit Thins deliver the flavor and smoking satisfaction of leading light cigarettes, but *less tar.* And with less tobacco, there's less smoke.

New Merit Thins, in kings and 100's.



A solution with Merit.
